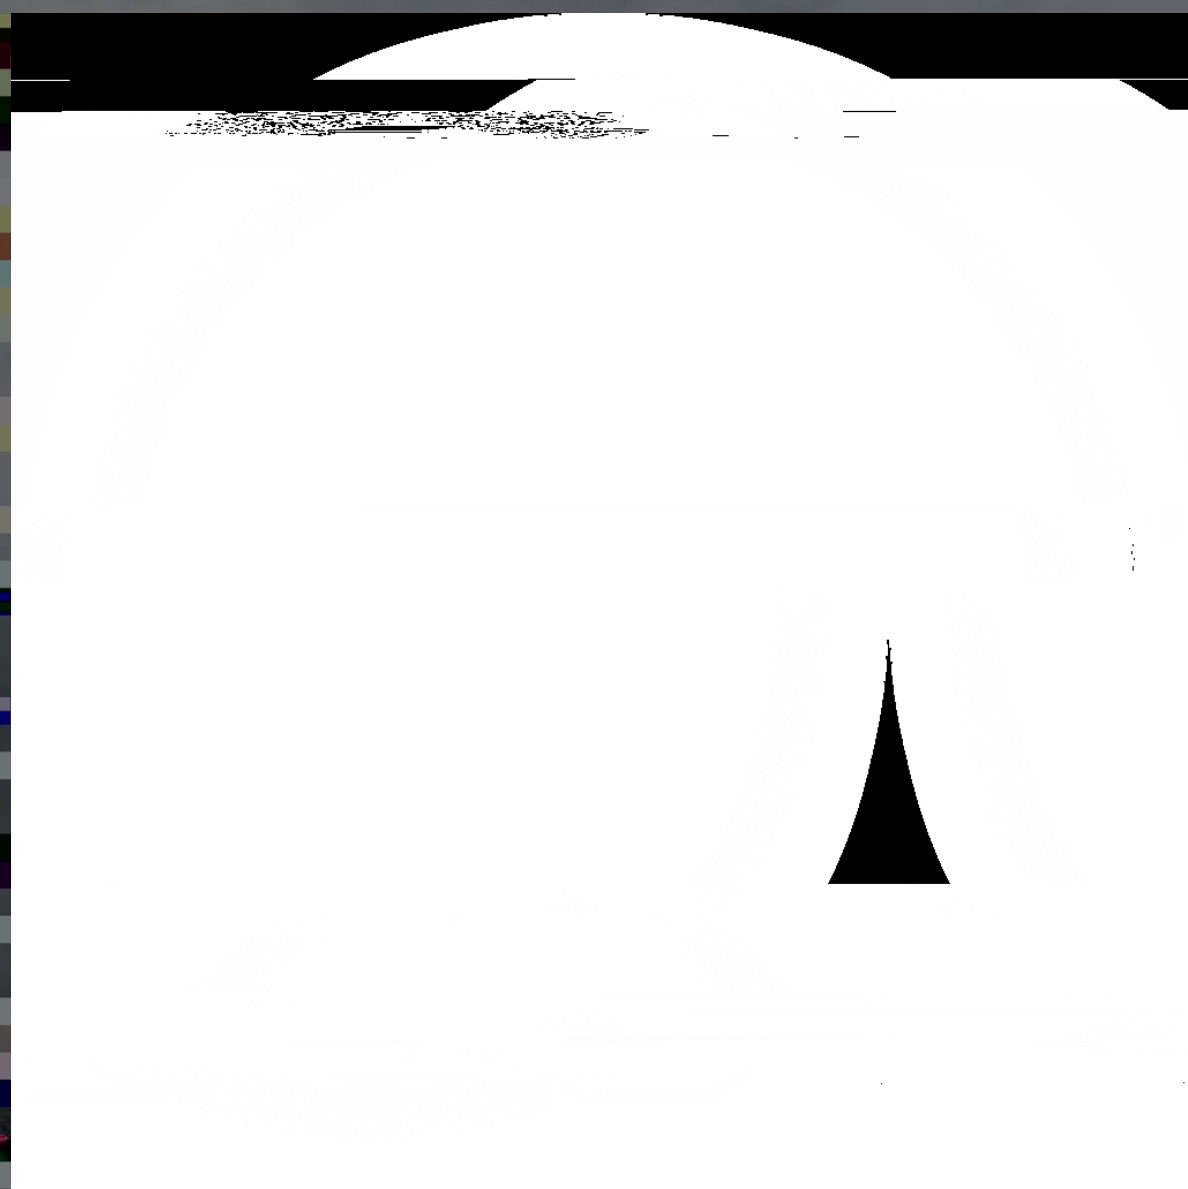

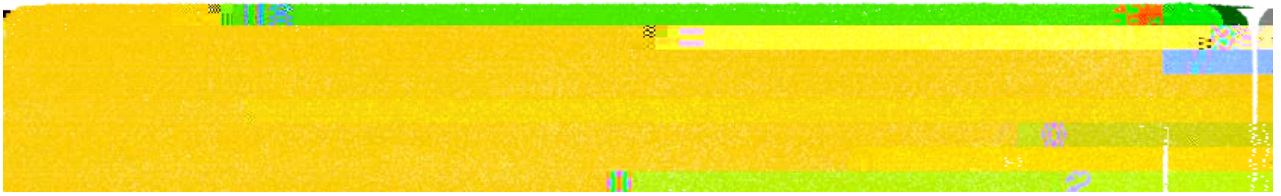

Figure 1. A perspective view of the curved structure. The structure is a dome-like shape with a central vertical spike. The dome is light gray and the spike is dark gray.

The structure is a dome-like shape with a central vertical spike. The dome is light gray and the spike is dark gray. The structure is positioned on a dark, flat surface. The dome has a smooth, rounded top and a slightly flared base. The central spike is a thin, vertical rod extending from the center of the dome's top surface.
